"God is Light. The light that is God fills my mind, my heart, my body and my soul NOW. I Am a child of God, filled with and surrounded by the Perfecting Light that is God. Every aspect of my mind, life and being is NOW brought into perfect and harmonious alignment with the light that is God. I Am the light that is God. The light that is God guides me NOW."

"God is Radiant Health. God's Radiant Presence fills every aspect of my being NOW. I Am a child of God filled with and surrounded by the Radiant Presence of Health that is God. Every aspect of my mind, life and being is NOW brought into perfect and harmonious alignment with the radiant health that is God and, that manifests and demonstrates as my natural state of health. I AM the Radiant Health that God is. God's Presence as Radiant Health fills me NOW.
