

Archangel Haniel

Beloved and respected Archangel Haniel,

Thank you for helping me gracefully accept and appreciate myself, others and my life.

Thank you for helping me to develop and amplify my intuition, clairvoyance and others spiritual gifts.

Thank you for assisting me in awakening my inner guidance and trusting this inner world of pure divine intuition, imagination and emotions.

I love you and thank you with heartfelt gratitude and joy.

Note :

It's very effective to call upon Haniel during the full moon, especially if there's anything you'd like to release or heal.
