

INNER WORK with Angels

Financial HEALING

Beloved and respected Angels,

I thank you for helping me to forgive myself for the existing financial situation in my life at this point in time and space.

I accept and appreciate your support in helping me to forgive myself for any other mistakes and blunders that I have been blaming myself for.

Please help me now to release all self blame from my mind, body, heart and soul so that I can allow and accept this financial situation to heal.

I love you and thank you with heartfelt gratitude and joy.
